

## **BISHOPS Basketball Camps**

Bishop England High School has developed a strong basketball camp tradition. Each camp is designed to help prepare young athletes for competition. Learning correct playing skills are critical at a BISHOPS Basketball Camp; just as important are teambuilding skills, leadership, and character development..

BISHOPS Basketball Camps are directed by The Bishop England Basketball staff with many years of experience and feature instructors with coaching and playing experience. Each instructor strives to build the individual as well as the team skills of each camper. The camp is held in the spacious, air-conditioned gym on Daniel Island.

Last, BISHOPS Basketball Camps offer fun and excitement and teach fundamental skills, which over time, equal individual and team success.
